DESCRIPTION

Finished in Sherwood Green with an Ivory interior, this XK8 Convertible has covered less than thirty thousand miles from new. Collected new from DC Cook of Doncaster Jaguar by its first owner in September 1997, this XK8 has clearly been cherished since this time and the original book pack still retains many of the items which less careful owners may have lost over time; such as the original radio code information, security card, and system details. We supplied this car to its second owner in 2023, and have just taken the car back as a part exchange. During this owner's tenure the car has been fitted with a full body paint protection film and serviced by us. A particularly beautiful and highly desirable example of a convertible XK8. Sold with 12 Months MOT, Service, Warranty and Roadside Assistance.
