## DESCRIPTION

The Jaguar F TYPE looks as dramatic as ever and is the definitive Jaguar sports car in a rich bloodline going back 75 years. The powerful proportions of the front engine two seater – with its body structure sculpted from light, stiff aluminium – are instantly recognisable, and the focused and assertive presence references the flowing forms from Jaguar's rich sports car heritage, which began with the XK120 – launched in 1948 as the world's fastest production car. Celebrating the final Model Year of the F-type and also 75 years of Jaguar sports cars in 2023, the 75 Special Editions feature 20 inch wheels and unique badging. This particular vehicle is the F-type R 75 roadster, featuring the 450 ps 5.0 V8 engine and all-wheel drive. Finished in Carpathian Grey metallic paint with Ebony Windsor leather interior the car has covered just over 3000 miles from new. The vehicle has been part of the JLR fleet from new and is now available to purchase, directly from Jaguar Classic. The car comes with the balance of the Jaguar three-year warranty (until June 2026).
