DESCRIPTION

Jaguar XJR 4.0First registered in Switzerland, with just two previous owners and a comprehensive service history.A modern classic that combines exhilarating performance with everyday refinement. Beneath its timeless, elegantly proportioned bodywork sits a supercharged 4.0-litre V8 engine, delivering effortless power and unmistakable Jaguar character.A true British sports saloon with the manners of a gentleman and the heart of a performance car.Regularly serviced by Jaguar specialists in Switzerland and Germany, this XJR remains in excellent condition. Unmodified and exceptionally well maintained, it has always been owned by Jaguar enthusiasts and collectors.Imported from Switzerland to Germany in 2020, the vehicle was subsequently registered to its current owner.The bodywork retains its original paint and presents very well, while the interior has been equally well preserved. Benefiting from regular use and meticulous maintenance throughout its life, the car remains in excellent mechanical condition.Its taut yet characteristically Jaguar ride is complemented by precise steering and enhanced by the wider factory-fitted tyres mounted on the original alloy wheels. The result is a driving experience that perfectly balances comfort, composure and performance.Factory options include metallic

paintwork, electrically adjustable seats with memory function, and the original Jaguar Motorola mobile phone.Presented in a particularly striking colour combination and offered in outstanding cosmetic and mechanical condition, this is an increasingly rare and highly desirable example of the supercharged XJR.A superb sports saloon designed to be driven and enjoyed, with all the character, performance and presence that make these cars so appealing today.
